**Owens Health and Safety is an American Red Cross Licensed Training Provider**

**Most Lifeguarding courses only offer the basic Red Cross Lifeguarding certification. Included in the cost of our course is certification in Red Cross Lifeguarding, Waterfront Lifeguarding, Waterpark Lifeguarding and Administering Emergency Oxygen. Taken separately, these 4 certifications would cost \$800.00. We maintain a smaller instructor to student ratio to provide more personalized instruction to the students. Our syllabus includes additional time for in-water skills practice, resulting in better trained lifeguards. Our instruction is conducted at an indoor aquatic facility which provides a comfortable learning environment. The facility exceeds the training standards required by the American Red Cross.**

**The eLearning format allows the candidate to review course lecture and videos as often as needed.**

**PRETEST:** Candidate must successfully demonstrate the following skills during the pretest session to continue the course:

1. Swim 300 yards continuously, demonstrating breath control and rhythmic breathing. Swim 550 yards for Waterfront Lifeguarding certification.
2. Tread water for 2 minutes using only the legs. Hands in armpits.
3. Starting in the water, swim 20 yards, surface dive 7–10 feet, retrieve a 10-pound object, return to the surface, swim 20 yards back to the starting point keeping both hands on the object and exit the water without using a ladder or steps, within 1 minute, 40 seconds.

**NOTE:** Minimum class size is 10 lifeguarding candidates. Course may be cancelled if minimum class size is not met.

Lifeguarding courses will be conducted using a combination of online, classroom and in-water training. Approximately 7 hours of the course is completed through eLearning online. Candidate is expected to complete reading and eLearning assignments and come to class prepared. There are two to five written exams (depending on modules selected) that must be passed with a score of 80% or higher.

Classes meet on Tuesday and Thursday from 5:45pm to 9:15pm at the **Wes Deist Aquatic Center, 149 7<sup>th</sup> Street, Idaho Falls, ID 83401.**
