Final In-Water Skills Scenarios

Students must participate in all classes to complete the course – bring a bathing suit and towel to all classes. In order to receive certification, students must pass 100% of skills and skill scenarios, and pass 80% of the questions on each written exam. Absences will result in non-completion of the course and no certificate will be given. Students should complete the reading assignment before class. Students must be able to open eyes under water. It is recommended contact lens be removed for in-water activities to prevent loss. Jewelry and swim goggles may not be worn when practicing rescue skills to prevent injuries.
