Final Skills Assessment

Instructor candidates must participate in all classes to complete the course. Bring a one-piece bathing suit, towel, swim goggles (optional), manuals, pen and paper to all classes. In order to receive certification, candidates must pass 100% of skills, complete all practice teaching assignments and score 80% or higher on the written exam. Absences will result in non-completion of the course and no certificate will be given. Candidates must complete the reading assignments and teaching preparation before each class. Bring online completion certificates to each class. Failure to complete homework assignments before each class will result in you being dropped from the course.
